14. REQUEST TO ADD CLASS THAT IS NOT CURRENTLY ON SHOW SCHEDULE.

Due to time and financial constraints, we have to keep the list of classes to a manageable number. Show management will consider request for added classes with the following guidelines:

A. In order to even be considered, there will need to be at least 4 entries in class, guaranteed. If it is less than 4 at show time class will be scratched.

B. The request must also include a class sponsorship (150.00) to help pay for extra ribbons, ect. The sponsorship monies will not be refunded if class is scratched, since the ribbons and awards will have already been purchased. If you submit request and monies, but management feels, we cannot add the class, you will be given the option of receiving sponsorship money back or allowing show management to use it on another class that is already on schedule.

C. There will be no class additions taken at the show. Please submit your request before May 31, 2011.
